APPROVAL OF S	TATE ENGINEER
This is to certify that I have examined the foregoing applic	cation, and do hereby grant the same, subject to the
following limitations and conditions:	
This permit is issued subject to all	ovisting rights on the source
It is understood that the 0.1150 c.f.s.	
temporary allowance and that the final	water_right_obtained_under
this permit will be dependent upon the	amount of water actually
placed to a beneficial use. A suitable	measuring device must be
installed and accurate measurements of	the water placed to a bene-
ficial use must be included in the proc	f of such use when filed.
The State retains the right to regulate	the use of the water herein
